Delta Heat grills and accessories

add convenience and performance to your outdoor kitchen, while enhancing the experience of your backyard gatherings. Elegance and unmistakable quality will ensure years of enjoyment for you, your family and friends.

Sear Zone

Intense direct heat will sear your meats faster and deeper to seal in more juices. More juices means moist, more flavorful food. All 32" and 38" grills are available with or without a Sear Zone. A kit (sold separately) is available for the 26" grill (Kit Model: DHSZ-KIT-B).

Rotisserie

An integrated rotisserie with infrared (IR) back burner is standard on 38" grills. 32" grills are available with or without an integrated rotisserie. 26" grills are non-rotisserie only. A rotisserie kit (sold separately) is available for all non-rotisserie grills (Kit model: DHRS-KIT).
