PREMIUM OUTDOOR GRILLS

For more than 75 years, Fire Magic® has been building the world's finest outdoor grills for people who demand the highest quality and performance. Our passion for manufacturing premium grills will be felt in the pride of ownership that you'll enjoy for a lifetime.

Constructed entirely of the finest quality, heavy gauge 304 stainless steel with unsurpassed attention to the most precise detail in design and construction, Fire Magic® Grills are the most elegant, and the most durable barbecues available. They easily perform at the highest temperatures for the longest time of any outdoor barbecue grill. With unique features like our advanced heating distribution system, a searing option, smoking capability, most complete rotisserie cooking, and even charcoal grilling, Fire Magic® offers a truly unmatched grilling experience.

Every Fire Magic® product is manufactured in our US production facility and held to the strictest safety standards and the highest performance metrics. Using state-of-the-art technology guided by the watchful eye and careful hand of master craftsmen, our grills are an investment that pays dividends for years and years. They are engineered and built to perform for a lifetime. The pride and joy from owning your Fire Magic® Grill will last for years to come.
